TAILORED SEO STRATEGIES FOR IMPROVED ORGANIC TRAFFIC AND RANKING

Target: USA

About The Business

Founded in 2017, Famoid is a technology company dedicated to providing exceptional solutions for social media services and more. They prioritize their customers' experiences and are confident that you will be completely satisfied with their offerings! Famoid is a social media marketing agency offering services to boost engagement on platforms like Instagram, TikTok, YouTube, and Facebook. They emphasize reliability, fast delivery, and secure transactions, ensuring client satisfaction with a full refund policy for service disruptions.

Background

They sought a customized package to help them achieve first-page Google rankings for their main keywords. This led them to initiate discussions with us about our monthly SEO service. They were looking for a customized package to help them achieve first-page Google rankings for their main keywords. This led them to initiate discussions with us about our monthly SEO service, where we provide tailored strategies to enhance their online visibility and drive organic traffic. Our comprehensive approach includes keyword optimization, content creation, backlink building, and performance tracking.

Our Process

We began by conducting keyword research and found some main keywords, followed by three months of on-page and off-page optimization for the selected keywords. Through our dedicated efforts, we achieved top 10 positions for their keywords. Here are the key highlights of the results

Our Results

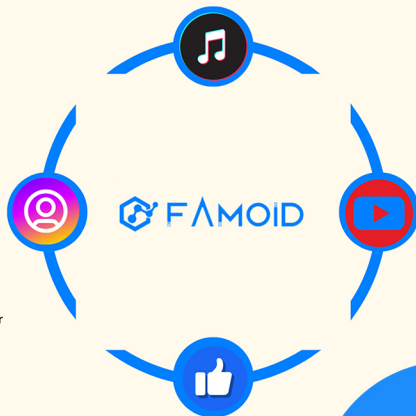

- Thousands of Keywords in Top 5 Ranking
- Total 7.6K Keywords on the First Page
- Referring Pages and Domains Improved
